Section 3: Financial Adviser Charges

Note to Financial Advisers

From 31 December 2012, ongoing commission cannot be paid to a UK Financial Adviser from a product where advice has been given to a UK retail client to invest in a product. For deals where advice has been given to a UK retail client, investment should therefore be made into classes which do not contain an element of commission built into the annual management charge (AMC). See the Supplementary Information Document for this fund range for a complete class list. Section 2 of this application form declares if no advice has been given. This application may be rejected if any sections are incomplete or inconsistent.

Note to Applicant: Please ensure that you have read, understood and signed the declaration below.

Initial Adviser Charges

By completing this section, you are instructing us to pay an amount deducted from your investment as outlined in Section 4 to the agent listed in Section 2 as an adviser charge. As a result of this, the net amount invested in your chosen fund will be reduced by the amount of the adviser charge. For example if you have invested £10,000 and you have elected to pay your adviser a 2% adviser charge from your initial investment, we will pay your adviser £200 and £9,800 will be invested into the fund.

Initial adviser charge payable to appointed Financial Adviser: %

Ongoing Adviser Charges - Please only complete this section if ongoing adviser charges are to be taken from the investment.

If this facility is not required, please move directly to section 4.

By completing this section, you are instructing us to pay an amount from your investment to the agent listed in Section 2 as an ongoing adviser charge. As a result of this, we will process a deal to sell the appropriate number of your shares at the end of each calendar month following your investment to raise an amount to finance the adviser charge.

Please note that facilitation of ongoing adviser charges is based on an investor's holding at the relevant month end and is calculated at class level. If you have a holding in a class at the month end, we will pay an ongoing adviser charge based on the value of your investment in that class on the last business day of the month. This will be facilitated by monthly redemptions of shares, with the proceeds being paid directly to your agent, provided there are sufficient shares in your account at the end of the period to redeem.

For example, if your holding was worth £100,000 at the end of the month and you had opted for facilitation of adviser charges of 0.6% per annum via monthly redemptions we would redeem units to the value of £50.00 in that month ($£100,000 \times 0.05\%$).

Ongoing adviser charge % per annum: %

Adviser Charging Declaration:

- I declare that I have agreed with the agent listed in Section 2 that I will pay the agent the initial adviser charge stated in this section and I instruct you to pay such a charge to the agent listed as an initial adviser charge for services provided. I acknowledge that this will reduce the amount of my initial investment.
- I declare that I have agreed with the agent listed in Section 2 that I will pay the agent the ongoing adviser charge as stated in this section and I instruct you to sell the appropriate number of shares from my account at the end of each calendar month in order to pay such ongoing adviser charges. I acknowledge that this will reduce the value of my investment. I confirm that the proceeds of such sales will be paid directly to the agent listed in Section 2.
